PRODUCT MATERIAL BREAKDOWN

Recycled data based on supplier information and industry averages. As part of our continuous development processes we will review this information regularly and data may change without notice.

76%	MILD STEEL
22%	MELAMINE FACED MDF
1%	ZINC PLATED MILD STEEL
<1%	ALUMINIUM
<1%	PLASTICS

TOTAL WEIGHT: 13.5kg

25.25	KG CO2e
*calculations are based on average emission factors validated by third-party open data sources based on cradle-to-gate phases of typical product lifecycle.	

SUSTAINABILITY

42%	RECYCLED CONTENT
98%	RECYCLABLE

This product has been designed using high quality materials and craftsmanship to ensure it's longevity, however at the end of this products life it can be returned to **sixteen3** for refurbishment or recycling.

For FSC® Chain of Custody specify when ordering.

Warranty Information

5 YEAR – NORMAL FAIR WEAR & TEAR

This includes the structure and any foam/padding materials. Fabrics are covered by fabric manufacturers' warranties, usually 5 years, dependant on fabric choice.

Please refer to full **sixteen3** Warranty information document for more details. **sixteen3** ltd reserve the right to update product data information without prior notice.

Standards

CONSTRUCTION

Designed to meet & exceed BS EN 15372: 2013 – Strength, Durability and Safety Requirements for non-domestic tables.

SURFACE

Laminate surfaces tested to EN 438-2 for scratch resistance in horizontal surfaces.

Cleaning & Maintenance

GENERAL MAINTENANCE

- Most hard surfaces can be cleaned with a soft cloth, dampened with a small amount of water and buffed dry.
- Clean spills and drips quickly to prevent them marking.
- Never drag any objects accross tabletop surfaces as these can leave surface scratches.
- Although tabletop surfaces are resistant to a degree of heat & liquids, we would always recomment the use of coasters as an additional protection.
- Bases should be checked and tightened periodically to reduce wear.

LAMINATE FINISHES

Clean surfaces regularly with a slightly damp cloth and buff dry with a soft duster. The finish on all laminate surfaces is designed to withstand moderate heat and some spillages, but all spillages should be wiped off with a damp cloth straight away.

POWDER COATED & PAINTED

Clean surfaces regularly with a slightly damp cloth and a mild solution of soapy water. Buff dry with a soft duster.

Finishes may naturally change in appearance with age. We cannot guarantee an exact match of any surface finishes..
