

Millie

Millie is a freestanding shelving range which shares the same design language as our **Milo** table collection. Designed to be effortlessly simple, **Millie** offers a sleek storage solution that can integrate into any space.

Whether adorning a wall as a console table or standing tall as a statement shelf, **Millie** adds an air of elegance to any room. Arrange multiple **Millie** units in a row for a cohesive shelving solution, or use them as room dividers to create visually open boundaries between spaces.

Mix and match different heights to add depth and personality to a space. For those seeking a more fitted look and added height, Millie's cupboard base options offer additional versatility and storage.

Powder coated steel frames with steel or timber shelves. Cupboards in MFC.

Warranty Information

5 YEAR – NORMAL FAIR WEAR & TEAR

This includes the structure and any foam/padding materials.
Fabrics are covered by fabric manufacturers' warranties, usually 5 years, dependant on fabric choice.

Please refer to full **sixteen3** Warranty information document for more details.
sixteen3 Ltd reserve the right to update product data information without prior notice.

Cleaning & Maintenance

GENERAL MAINTENANCE

- Most hard surfaces can be cleaned with a soft cloth, dampened with a small amount of water and buffed dry.
- Clean spills and drips quickly to prevent them marking.
- Never drag any objects across tabletop surfaces as these can leave surface scratches.
- Although tabletop surfaces are resistant to a degree of heat & liquids, we would always recommend the use of coasters as an additional protection.

WOOD FINISHES

Clean surfaces regularly with a slightly damp cloth and buff dry with a soft duster. The finish on all wood and laminate surfaces is designed to withstand moderate heat and some spillages, but all spillages should be wiped off with a damp cloth straight away. Certain wood finishes will naturally change in appearance with age. We cannot guarantee an exact match of any timber products.

POWDER COATED & PAINTED

Clean surfaces regularly with a slightly damp cloth and a mild solution of soapy water. Buff dry with a soft duster.

LAMINATE SURFACES

Clean surfaces regularly with a slightly damp cloth and buff dry with a soft duster. The finish on all wood and laminate surfaces is designed to withstand moderate heat and some spillages, but all spillages should be wiped off with a damp cloth straight away. Certain wood finishes will naturally change in appearance with age. We cannot guarantee an exact match of any timber products.
