

# Jazz

Jazz is an altar to refreshment; an offering of welcome, of social connection, of pause or party. Jazz's exaggerated column comes with a choice of chamfered laminate top, or a spun steel option, which evokes tray tables of global fare. A pedestal to punctuate your day with communal moments of sharing.

Finished by hand in Britain, incorporating quality components from our selected partners in Italy. Crafted with infinitely recyclable steel, containing 71% recycled content, and enabling precise detailing and customisation with our 24 colours as standard.

# Standards

## CONSTRUCTION

Designed to meet & exceed BS EN 15372: 2013 – Strength, Durability and Safety Requirements for non-domestic tables.

## SURFACE

Laminate surfaces tested to EN 438–2 for scratch resistance in horizontal surfaces.

# Cleaning & Maintenance

## GENERAL MAINTENANCE

- Most hard surfaces can be cleaned with a soft cloth, dampened with a small amount of water and buffed dry
- Clean spills and drips quickly to prevent them marking
- Never drag any objects across tabletop surfaces as these can leave surface scratches
- Although tabletop surfaces are resistant to a degree of heat & liquids, we would always recommend the use of coasters as an additional protection

## LAMINATE SURFACES

Clean surfaces regularly with a slightly damp cloth and buff dry with a soft duster. The finish on all wood and laminate surfaces is designed to withstand moderate heat and some spillages, but all spillages should be wiped off with a damp cloth straight away. Certain wood finishes will naturally change in appearance with age. We cannot guarantee an exact match of any timber products.

## POWDER COATED & PAINTED

Clean surfaces regularly with a slightly damp cloth and a mild solution of soapy water. Buff dry with a soft duster.
