

# Quinn

Quinn balances our trademark simplicity with plush monumentalism. Abundant in comfort, aesthetics and impact, Quinn invites conversation and decompression in equal measure. The generous design and quilting typify the blended vernacular of modern spaces where hospitality or workspace is established by moments, not settings. Flexibly modular to offer many compositions for different footprints.

Made by hand in Britain, from the ground up. Our lush, quilted upholstery encompasses a frame made with carbon negative agricultural fibreboard and an efficient combination of webbing and foam.

Product Code	QUI-S	QUI-RA	QUI-LA	QUI-C
Dimensions	W730 x D870 x H700 x SH440mm	W950 x D870 x H700 x SH440mm	W950 x D870 x H700 x SH440mm	W870 x D870 x H700 x SH440mm

POWER

**Porthole & Pip** power can be incorporated into seat fronts.

CASTORS

Optional castors available ease of mobility.

LINKING

Crocodile Connector Clips included as standard.

Warranty Information

5 YEAR - NORMAL FAIR WEAR & TEAR

This includes the structure and any foam/padding materials.  
Fabrics are covered by fabric manufacturers' warranties, usually 5 years, dependant on fabric choice.

Please refer to full sixteen3 Warranty information document for more details.  
sixteen3 ltd reserve the right to update product data information without prior notice.

Standards

FLAMMABILITY

The foams & fillings of this product meet BS EN 5852: Part 2, in accordance with The Furniture and Furnishings (Fire) (Safety) Regulations 1988.

CONSTRUCTION

Designed to meet & exceed BS EN 16139: 2013 - Strength, Durability and Safety Requirements for non-domestic seating.

Cleaning & Maintenance

GENERAL MAINTENANCE

- Vacuum upholstery regularly to remove dust and grit
- Most hard surfaces can be cleaned with a soft cloth, dampened with a small amount of water and buffed dry
- Clean spills and stains quickly to prevent them setting in (see specific fabric care instructions below)
- If being used in a spill/stain prone area specify an appropriate finish with stain-repellent properties

Refer to fabric manufacturers own guidelines for specific information.

NATURAL FABRICS

In addition to regular vacuuming, wool and other natural fibres can usually be cleaned using appropriate upholstery shampoo. For a deeper clean it is best that wool be dry cleaned, as over-wetting can cause shrinkage and appearance change. Never apply bleach, ammonia, alkali or strong acids to wool upholstery.

SYNTHETIC FABRICS

Vacuuming is the best regular maintenance followed by speed of action to remove spills and stains rapidly as soon as they occur. Most synthetic fabrics can be wiped down with a water soaked damp cloth without fear of damaging fibre or removing colour. Stubborn stains can be removed with a quality upholstery shampoo.

PRODUCT MATERIAL BREAKDOWN

Material Breakdown Data based on a Three Seat Quinn consisting of 1x QUI-S-RA, 1x QUI-S & 1x QUI-S-LA Single SED-S upholstered in Camira Oceanic. Figures stated will vary depending on model purchased and specification changes.

Recycled data based on supplier information and industry averages. As part of our continuous development processes we will review this information regularly and data may change without notice.
